INTERESTED IN STUDYING FILM?

Consider the Scottsdale School of Film+Theatre at Scottsdale Community College

STAY CLOSE TO HOME

Our program is regarded as the best film school in Arizona and among the premiere film schools in both the Southwest and the nation. That's because we provide abundant and critical hands-on experience with current industry-standard production and post-production equipment, as well as interactive learning with top industry professionals.

SAVE BIG ON TUITION

Even at a total cost of \$10,500 (including course fees) to receive an AAS in Film Production, our program is:

- 1/5 the cost for equivalent education at ASU
- 1/10 the cost of USC, and...
- 1/2 the cost (for in-state tuition) for LA City College's film program

If you're not getting the on-campus experience of a 4-year program, why pay for it?

OUR GRADUATES WORK IN THE INDUSTRY

Our Film program graduates find meaningful careers locally with media companies like The Arizona Cardinals, Fox 10 News, and Sneaky Big Studios. Students who aspire to work in Hollywood can follow in the footsteps of graduates who've worked on top movies and shows like Transformers, Everything Must Go, Silicon Valley, Star Trek: Discovery, Marco Polo, Chicago Fire and more. In addition, recent graduates have gone on to continue their studies at ASU, and also USC, Chapman University, and AFI.
