

**"Nobody makes golf clubs the way we do. Period."**

**Bob Parsons, PXG Founder & CEO**

**WE ARE ACTIVELY RECRUITING FOR:**

**CLUB BUILDER – Full Time**

**Shifts Available: Daytime and Overnight**

**Rate of Pay: \$13-\$15 per hour + potential for production bonus**

**Includes benefits, 401(k), Paid Time Off (PTO) and employee discounts!**

The Club Builder is responsible for the assembly, repair and modifications of high-performance golf clubs that have been fit to customer specifications. This position also provides the ability to be cross trained in other areas within the Operations Team, such as Quality Control, Shipping/Logistics, etc., as business needs require.

### **The PXG Way**

PXG was founded with the sole intent to design and develop the world's finest golf clubs – and we believe we have done just that!

With no cost or time constraints, PXG is committed to the long process of researching various alloys, exploring new technologies, and identifying the unique properties that make PXG clubs perform unlike anything else. With no set product release cycles, the company takes its time and pours every ounce of innovation into each new club design.

PXG offers a full lineup of right and left-handed golf clubs, including drivers, fairway woods, hybrids, irons, wedges, and putters, as well as a complete line of high-performance, fashion-forward apparel.
